“I would like to sincerely thank you for your support for organizing this event.

Transfers hotel-park & park-restaurant went well with a nice bus driver and a perfect respect of timing so that everything worked smoothly. GPS Rally was top. I think everybody enjoyed this animation, even if it was a bit hard to find hidden objects sometimes!

I think we did a good choice as this animation allowed people to talk to each other and better know each other. As to the restaurant, everything came off well too. We spent a pleasant evening with kind waiters and a delicious meal. And this place allowed those who were not too tired to play at the casino afterwards so it was nice! Thank you again for your help and your availability throughout the organization.”
